NAVEEN M S V

Hosur, Tamil Nadu https://www.linkedin.com/in/naveen-m-s-v-b1227b200/

Objective

A highly motivated and career-driven student currently pursuing B.Tech in Artificial Intelligence & Machine Learning, seeking an entry-level opportunity to utilize my technical skills in **CSS,HTML AND FLUTTER**. My goal is to work in a professional and dynamic environment that fosters learning, innovation, and teamwork. I bring a combination of design-thinking from UI/UX principles and technical problem-solving from my AI/ML background. I am committed to delivering excellence, with a strong willingness to learn, adapt to evolving industry standards, and perform to the best of my ability to add value to the team and the organization

Technical Skills

Programming Languages: Java, Python, C, SQL
UI/UX & Design: Figma
Frontend Development: HTML5, CSS3,Flutter(Application)
Backend Development: Firebase

Experience & Projects

Smart Attendance System Sep 2025 – Nov 2025
Full-Stack Application

- Designed and developed a responsive attendance tracking application with a clean and intuitive user interface.
- Implemented QR-based attendance and OTP verification to ensure secure and proxy-free usage.
- Created dashboards to visualize attendance percentages, alerts below 80%, and usage summaries.
- Focused on navigation flow, component consistency, and overall usability to improve user experience.

Study Focus – Timer App
Full-Stack Application
(Flutter, Firebase, SharedPreferences)

- Built a student focus timer app with authentication and study tracking
- Implemented real-time timer, notifications, and weekly progress charts
- Used Firebase Auth and local storage for secure and persistent data
- Designed responsive UI with profile customization features.

Education

Bachelor of Technology — Artificial Intelligence & Machine Learning
Bannari Amman Institute of Technology, Sathyamangalam Aug 2023 – May 2027
Relevant Coursework: UI Design Basics, AI/ML

Certifications

- Java Programming Certification

Languages

- English
- Tamil
